

EMPLOYER PARTNER HIGHLIGHT

A POWERFUL PARTNERSHIP: PEG, MSJ and VJ in Action

For 28 years, PEG, LLC has provided energy efficiency, engineering, and environmental consulting services across the Eastern and Central United States.

Our partnership with VetJobs reflects our commitment to supporting veterans, transitioning service members, military spouses, and their families. PEG's Senior Vice President and COO, Matthew Cooper, is a U.S. Air Force veteran, and our President and CEO, JoAnn Spence, has helped lead PEG's growth as a woman-owned and Virginia Values Veterans (V3) certified company. Together, they have cultivated a culture of innovation, operational excellence, and sustainability, delivering solutions that enhance building performance and create lasting value.

EMPLOYER PARTNER HIGHLIGHT

"At PEG, we recognize the tremendous value veterans and military families bring to the workforce," said JoAnn Spence, President and CEO of PEG, LLC. "Our partnership with VetJobs allows us to connect with talented individuals whose leadership, resilience, and dedication align with our core values. Together, we're creating meaningful career opportunities while strengthening our team with professionals committed to making a positive impact."

VetJobs has been an invaluable partner in connecting us with talented candidates for careers across our office and field operations. This partnership helps us provide meaningful employment opportunities while strengthening our workforce with individuals whose military experience brings discipline, adaptability, and a strong commitment to excellence.

We are proud to partner with VetJobs to support veterans and their families as they transition into rewarding civilian careers while continuing to build a stronger, more inclusive workforce.
