

Connecting the Future of Georgia's Engineering Industry

ACEC Georgia's Young Professional Network (YPN) is shaping the next generation of engineering leaders through networking events, leadership development, and mentorship opportunities. By sponsoring YPN, your firm will gain direct visibility with emerging talent while demonstrating your commitment to investing in the future of Georgia's engineering industry.

Join us in empowering the next wave of innovators and decision-makers.

CONTRIBUTION FOR RECOGNITION: $400

Sponsor Benefits:

1. Sponsor logos will be recognized equally on signage for all in-person Young Professionals Events and Leadership Development Programs.
2. Sponsor logo will be recognized equally on ACEC Georgia Junior Board webpage.
3. Sponsors will be verbally recognized at all online Young Professionals Events such as Introduction to the Business of Engineering and the Young Professionals network webinar series.
4. Includes one registration for an employee aged 35 years or younger to attend the Young Professionals Off The Clock events (4 events a year).
5. Supports the leadership development of engineering professionals aged 35 years and younger.

The Young Professional Events/Programs Include:

1. Young Professionals Off The Clock - 4 times a year
2. Young Professionals Network Webinar Series - 4-5 webinars a year
3. Future Leaders Program - 9 sessions
4. Introduction to the Business of Engineering - once a year
5. Mentorship Program - 6 events

*This sponsorship had exposure to over 500 young professionals over the last year (July 2025- now).

The annual sponsorship will be for the ACEC Georgia Fiscal Year:
July 1, 2026 - June 30, 2027

Deadline to sponsor: June 30, 2026.
