

FAMILY OPTION

A Note to Families: In Youth Group we have been watching Pixar movies and talking about how these beloved movies might have something to say about our faith, our lives, and our world. Each week as we watch we have a theme on which we focus. We find ourselves in a unique space right now. We have been gifted extra, uninterrupted time to be together as a family. We encourage you to watch our weekly movie as a family. We will provide you with some additional questions for you to use at home, as a way to expand our Youth Group discussion to your whole family.
