

CLUB DE ESPAÑOL

“Sisterhood School in Spain” project for students in 4th and 5th grade.

It is a pleasure to inform you about our new Spanish club taking place every other Tuesday (4th grade) and every other Wednesday (5th grade).

Lafayette students have the great opportunity to join the new intercultural project, a sisterhood with a school in Spain. *La Escuela San Vicente de Paul* is located in a little village in the north of Spain called Limpias. This school is well known for Ms. Rincon since her son used to study there before moving to the USA. It is a little school full of values and both teachers and students are very excited about this experience too! It is a great opportunity to become interactive members of the global community and of course to practice writing skills as they communicate with their Spanish pen pals. Our exchange of letters will be both in Spanish and English.

If you like the idea, please, talk to your child and encourage him-her to join the Spanish Club. We'll be working with just one 4th grade and one 5th grade class in Spain, so the number of students for the club is limited. Kids need to register at Ms. Rincon's classroom during FLEX time next week.
