

La Sierra University Enactus

A photograph of two young women, likely students, smiling and holding up a white card that says "eLibrary". They are in a classroom setting with computers and keyboards visible in the background.

# eLibrary Fundraiser

*Enactus takes pride in creating a lasting impact in our communities. With a donation of \$7, you can make a difference in a child's life by providing them an eLibrary drive. eLibrary uses new micro-compression technology to bring thousands of hours of curated, curriculum-based content to communities around the world who lack reliable infrastructure and internet access.*
