FLORIDA ATLANTIC UNIVERSITY

Lessons from Hurricane Irma for

Increasing Resilience

From Practice to Revising Plans and Policy

Tuesday, Nov. 28, 2017

Marine Industries Association of South Florida - 221 SW 3rd Ave, Fort Lauderdale, FL 33312

Hosted by Florida Atlantic University's Center for Urban & Environmental Solutions in partnership with:

- FAU Harbor Branch
- Institute for Healthy Aging and Lifespan Studies
- Florida Center for Environmental Studies
- Freight Mobility Research Institute

For details and to register, click here.

In the aftermath of Hurricane Irma, stakeholders and decision-makers are responding to and examining the storm's impacts on Florida. Join us for panel discussions of response and recovery, as well as the implications for resilience plans and policy.
