Zoom in on Research

We know you have questions, and we're here to answer them.

In an effort to keep everyone informed of the latest happenings during these difficult times, the Division of Research will host a zoom meeting with Dan Flynn, Ph.D., Vice President of Research.

This session will provide a brief update from the VPR, including plans to re-open, and will allow you to voice research-related questions, concerns and/or suggestions.

All faculty and staff are invited.

Note: *We will host additional sessions in regular intervals.*
