Signature Authorities for Sponsored Programs

BOCA RATON, FL (May 23, 2018) – Under FAU's Signature Authority Policy (No. 11.1) the Vice President for Research, or designee(s), are authorized to approve and execute all contracts within his or her area of supervision. Miriam Campo, assistant vice president for sponsored programs, has been delegated signature authority and is the Authorized Institutional Official for all contracts and grants related documents.

She is authorized to sign contracts, agreements, letters of understanding, and other documents or contracts regarding legal assurances, commitments, and obligations pertaining to sponsored research on behalf of the university.

Faculty, staff and students do not have the authority to sign contracts nor any document that binds FAU legally.

Anyone without authority who signs contracts or other documents of agreement or commitment that purport to bind the FAU System may be held personally responsible and liable for any unauthorized signatures.

The Signature Authority policy is here for your protection. Please forward all pertinent documents to the Office of Sponsored Programs at sponsoredprogram@fau.edu or directly to Campo at campom@fau.edu.
