# COVID-19 REGISTRY AND REPOSITORY

FAU researchers are conducting a research study to contribute to new discoveries and knowledge about the virus.

Participants with a positive test will be invited to attend two visits to the research site for an interview, donation of blood and saliva. The time for the visit will be 45 to 60 minutes.

We will reimburse you for your time and transportation with a \$50 gift card for the first visit and \$25 for the second visit.

## Requirements:

- 18 years or older with a documented positive test for COVID-19.
- Positive test report from at least 15 days before the research visit.
- Currently show no symptoms of COVID-19.
