Boca Raton, FL. (March 13, 2020) - Kaufman Rossin is an avid supporter of the tech entrepreneurial ecosystem in

South Florida and the FAU Tech Runway program, which has made a tremendous impact on the local economy. It's important for them to support the startups and growing companies developing new technologies that will benefit the community. Furthermore, as an entrepreneurial firm, Kaufman Rossin believes in helping other entrepreneurs to lay a solid foundation that will position them for success. The firm provides financial support to FAU Tech Runway, and their professionals volunteer their time and expertise through mentorship. It's gratifying for their professionals to work with these new business owners and help them on their journeys as they develop and grow.

Kaufman Rossin is one of the top 100 CPA and advisory firms in the U.S., bringing clients the knowledge to protect themselves from risk, improve business performance and meet compliance requirements. Their Miami-based firm has been working with entrepreneurs in South Florida and beyond for more than 55 years, providing the expertise and resources companies need to succeed through all stages of growth, from inception to exit. They offer accounting, audit, tax and outsourced services, as well as business, risk and forensic advisory services. Kaufman Rossin has won significant awards, including repeat honors as the Best Accounting Firm to Work For. With more than 400 team members, the firm prides itself on offering the resources of a powerhouse, personally delivered.

Tyler Quinn, principal and co-leader of technology industry group, offers this advice to new start-up companies: "Choose your partners and advisors wisely. Don't try to do it yourself; seek the advice and expertise of people who can help you guide your company and make good decisions along the way. You will have a better chance of success if you get the right help."
