FUNDING OPPORTUNITIES

Arts and Humanities

National Endowment for the Humanities (NEH) – Digital Humanities Advancement Grants

National Endowment for the Humanities (NEH) – Humanities Centers on Artificial Intelligence. Note that this is a limited submission.

National Endowment for the Humanities (NEH) – National Digital Newspaper Program

Business and Economics

National Institutes of Health (NIH) - Notice of Special Interest (NOSI): Research on Illicit Drug Markets

National Science Foundation (NSF) – Science of Organizations (SoO)

Education

Library of Congress (LOC)–Teaching with Primary Sources (TPS) Regional Grant Program. Note that this is a limited submission.

National Institutes of Health (NIH) - Research on Autism Spectrum Disorders (R01 clinical Trial Optional)

National Science Foundation (NSF)–Advancing Informal STEM Learning (AISL)

National Science Foundation (NSF) – National Resource Center on Improving Undergraduate STEM Education (IUSE Center). Note that this is a limited submission.

National Stuttering Association – CASE Research Grant

Health

American Cancer Society - IMPACT - Expanding Prostate Cancer Clinical Trials in the Community

Brain Research Foundation – Seed Grant Program. Note that this is a limited submission.

Centers for Disease Control and Prevention - Evaluate STEADI-based Fall Prevention in Assisted Living Facilities

International Center for Responsible Gaming – Request for Applications for Research on Gambling Industry Employees

National Institutes of Health (NIH) - Advancing Healthcare for Older Adults from Populations that Experience Health Disparities (R01 - Clinical Trial Optional)

National Institutes of Health (NIH) - Understanding the mechanisms underlying the age-related changes in gait biomechanics and the impact on the increased metabolic cost of walking (R01 Clinical Trial Optional)

Pfizer - Treating the Whole Patient: Considerations for Patients with HR+/HER2- Metastatic Breast Cancer (mBC) and Existing Comorbidities. Please note that additional opportunities have been released by Pfizer; see here.

Science, Technology, Engineering, and Mathematics

DARPA - Biological Technologies Office

Department of Energy (DOE), Office of Clean Energy Demonstrations – Energy Storage Pilot Demonstrations

Environmental Protection Agency (EPA) - 2024 Region 4 Sustainable Materials Management Grants

NASA – The Science of PACE

NASA - Minority University Research and Education Project (MUREP) Earth Systems Science Research (MUREP ESSR)

NASA - A.60 Earth Action: Ecological Conservation

National Oceanic and Atmospheric Association (NOAA) – Leveraging Uncrewed Systems Data for Climate Applications

National Oceanic and Atmospheric Administration (NOAA) –Understanding and Addressing Drought in a Changing Climate (NIDIS) Please note that additional opportunities have been released by the Department of Commerce/NOAA; see here.

National Science Foundation (NSF) – Biomedical Research Initiative for Next-Gen BioTechnologies – SynBio Control (BRING SynBio)

National Science Foundation (NSF) - Mid-scale Research Infrastructure-1 (Mid-scale RI-1)

National Science Foundation (NSF) – Trailblazer Engineering Impact Award

National Science Foundation (NSF) – Computational and Data-Enabled Science and Engineering in Mathematical and Statistical Sciences (CDS&E-MSS)

National Science Foundation (NSF) - Dear Colleague Letter: Neurobiology in Changing Ecosystems (NiCE)

Sea Turtle Conservancy - Sea Turtle License Plate Grants Program. Note that this is a limited submission.

Social Sciences

Centers for Disease Control and Prevention - Grants to Support New Investigators in Conducting Research Related to Preventing Interpersonal Violence Impacting Children and Youth

Centers for Disease Control and Prevention - Rigorous Evaluation of Community- and Societal-Level Primary Prevention Approaches to Prevent Adverse Childhood Experiences (ACEs): Expanding the Best Available Evidence The CDC has released several other opportunities – access a list here.

Centers for Disease Control and Prevention - Rigorous Evaluation of Primary and Secondary Overdose Prevention Activities Among Populations Disproportionately Affected by Overdose

Department of Justice – National Institutes of Corrections – Trauma-Responsive Training and Resources for Community Agencies Note that this is a limited submission

Klingenstein Third Generation Foundation - Transformation of Mental Health Care Program

PCORI – Promoting Healthy Children and Youth Topical PCORI Funding Announcement

---

The items listed above are merely a sampling of current funding opportunities. You may wish to conduct tailored searches at Grants.Gov, GrantForward, or funding agency websites. You may access these opportunities via GrantForward; to set up an account, please visit **this webpage**.

PIs are reminded to route their proposals internally through FAU (see the Office of Sponsored Programs timeline **here)** and to reserve time for uploading proposal documents to the granting agency.

For limited submissions, **click here** to view guidelines for submitting internal applications.

For questions or assistance with the opportunities listed above, please contact the FAU Office of Research Development at proposaldevelopment@fau.edu.

*For Foundation opportunities, FAU's Institutional Advancement Office provides a monthly list of funding opportunities of interest. See this **website** (Foundations RFP Digest).*
