

## **I-SENSE Seminar Series**

### **Additive Manufacturing for Faster, Cheaper, Better, Greener Printed Electronics**

Tom Weller, Ph.D.  
Professor and Chair, Electrical Engineering  
University of South Florida

Dr. Weller's current research interests are in the areas of planar and electrically-small 3D antennas, development and application of novel microwave materials, additive manufacturing for RF/microwave design, and electromagnetic sensors.

**11 a.m. - 12 p.m. Thursday March 1**  
**Engineering East Building, Room 303**  
**Boca Raton Campus**
