Searle Scholars Program - Limited Submissions Internal (Florida Atlantic University) Competition

The Searle Scholars Program supports high risk, high reward research by early-career scientists in specific disciplines (see here). One applicant can be nominated from Florida Atlantic. The **internal deadline** for this **limited submission** opportunity is **August 4, 2025**.

To be eligible, PIs are expected to be pursuing independent research careers in **biochemistry, cell biology, genetics, immunology, neuroscience, pharmacology, and related areas in chemistry, medicine, and the biological sciences.** Further, applicants should have begun their appointment as an independent investigator at the **assistant professor level on or after May 1, 2024.** The appointment must be their first tenure-track position (or its nearest equivalent). Please see Searle Scholars Program website for full eligibility criteria and program description .

Next steps:

For researchers who are interested in being nominated from Florida Atlantic, and who meet university and Searle Scholar eligibility, submit an internal application (limited ticket) for this program here.
