

# Virtual Research Methodology Seminar

## Presenter:

**Katherine Freeman, Dr.P.H.,**  
Biostatistics Collaborative Core Leader,  
Florida Atlantic University

## Clinical Trials in the Era of Epidemics Design, Analysis & Reporting

**Date:**  
Thursday, May 21

**Time:**  
10:30 a.m. to noon

**RSVP** by emailing  
**Dr. Freeman at**  
[kfreemancostin@health.fau.edu](mailto:kfreemancostin@health.fau.edu)

Researchers are invited to learn  
about the “Gold Standard” of  
research studies and how to  
design your own!

The presentation will use  
examples from both past and  
current epidemics.

Come and join us!

All faculty and post-docs  
are welcome!
