Connecting You with Planet Fitness Franchisees

PF Independent
FRANCHISEE COUNCIL

The PF Independent Franchisee Council (PFIFC) is the national trade association representing Planet Fitness® franchisees. PFIFC members own and operate more than 2,100 locations, ranging from single-club operators to franchise groups with more than 175 locations. The organization is dedicated to preserving and enhancing the business interests of all Planet Fitness franchisees and to collaborating with the franchisor to improve brand equity for all stakeholders.

Partnership is one of the best ways for a business to increase visibility within the PFIFC membership. Help your business be seen by Planet Fitness decision makers by:

- Becoming an associate member and securing a listing in the annual Products & Services Directory
- Sponsoring or exhibiting at the annual convention
- Advertising in PFIFC's quarterly publication, Geared Up
- Reserving digital advertising on the PFIFC website or weekly e-newsletter
- Sponsoring a monthly educational webinar or franchisee town hall

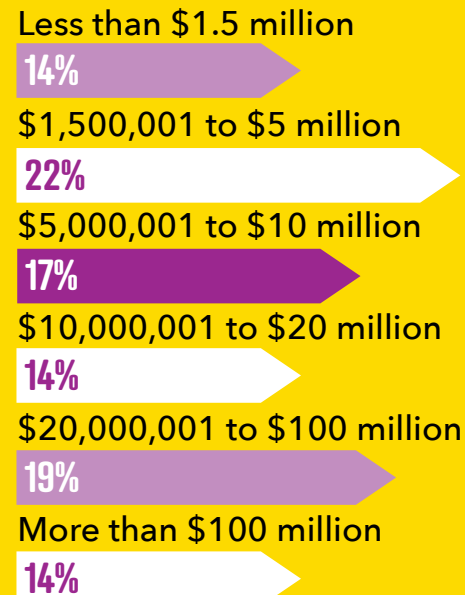

This increased visibility can lead to more networking opportunities to build relationships and develop your business with this growing brand. Contact Ronnae Williams at ronnaew@pffranchisee.org or 678-941-0296 for more information.

PRINT ADVERTISING

PFIFC publications are a great avenue to reach the PF franchisee community. Geared Up, a quarterly, four-color print magazine, is distributed to all PFIFC members, which make up more than 97% of all franchised clubs.

The annual Products & Services Directory is a resource that franchisees keep and refer to throughout the year to find the businesses that support their organization. A company listing in both Geared Up, the Products & Services Directory and on our website is included with your PFIFC associate membership. Complement your company listing with an advertisement to enhance your exposure. Please see the Advertising Specifications on page 9 for more detail on print and digital ad specifications.

Ads must be paid for and submitted by published artwork deadline. Space is not guaranteed, and payment may be forfeited if artwork is submitted after the published deadline. Print publication guaranteed special positions are an additional 10%.

Advertise in 4+ issues and receive a complimentary voice ad (performed by PFIFC staff) in one issue of our bi-weekly PFIFC Pulse recording. Advertisers to provide script (up to 100 words) for voice ad.

MEETING SPONSORSHIP OPPORTUNITIES

Associate members can sponsor a variety of in-person and virtual meetings to reach PFIFC members.

PFIFC hosts quarterly town halls for professionals in various areas of the business, including club operations, marketing, HR, enterprise value and store development/real estate/construction. Associate members looking to reach specific departments within PF ownership groups may select a town hall sponsorship, or for those seeking a broader audience, associate members may develop and present educational content to members on a webinar hosted and marketed by PFIFC. Limited webinar and town hall sponsorship opportunities are available, and town halls sell out quickly.

Sponsorship options are available for monthly virtual Board of Directors meetings, or a select number of opportunities exist to sponsor quarterly in-person Board or Committee meetings. These highly sought-after live options allow you to be face to face with PFIFC leadership and sponsor a meal for the group.

Contact Ronnae Williams at 678-941-0296 or ronnaew@pffranchisee.org for more information.

PRINT AD RESOLUTION

If bitmap images (scans, photos, etc.) are placed, the end resolutions should be high enough to maintain quality. CMYK and grayscale images should be between 300 and 400 DPI. Lower resolution may result in pixelated edges.

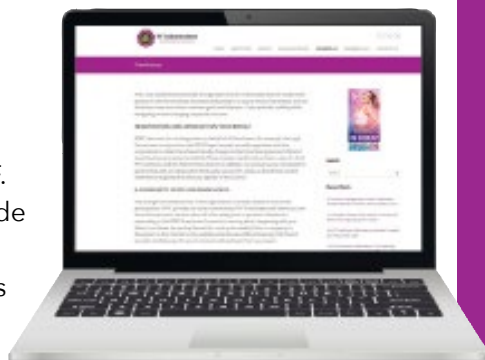

Excessive resolution causes much larger file sizes and processing times. Solid black-and-white "line art" images should be free of screen patterns and have an end resolution of between 600 and 1,200 DPI. Line art images (such as a logo) will produce an undesirable half-toned edge if they have been provided in "grayscale." Instead, please provide line art in a "1-bit color" black-and-white format.

Failure to meet the above standards may result in additional costs and may cause unpredictable reproduction. Effort will be made to notify clients of any problems detected in their files, and they will be given an opportunity to send corrected files or incur charges at prevailing rates.

DIGITAL AD SPECIFICATIONS

The following image files are acceptable for website banner ads: GIF, JPG and PDF. When submitting your file, you may provide a URL to hyperlink the banner ad graphic. Small skyscraper ads should be 120 pixels width x 240 pixels height. News You Can Use banner ads should be 650 pixels width by 150 pixels height.

If you have questions regarding file requirements or design specifications, please contact Jessica Loeding at 678-941-0297 or jessical@pffranchisee.org. PFIFC has final approval on all advertising submissions and may adjust file sizes if needed.

PRINT AD SPECIFICATIONS

All advertisements must be provided in a digital format at the correct ad size. If providing a full-page ad with bleed, please include 0.125" bleed around all edges, as well as trim marks.

Acceptable ad formats: high-resolution PDF, high-resolution JPEG, TIF, EPS, AI and PSD files.

All color type and images must be CMYK with "spot color" deselected. For best solid black reproduction, it is recommended to use only pure black, not a CMYK mix of inks with black.

If providing an EPS or AI file, please outline all fonts.

Small type (less than 10-pt.) built out of process or reversed out of a process color will not reproduce as well as larger type or pure black type. Serif typefaces (such as Times New Roman) are more prone to this problem than sans-serif typefaces (such as Helvetica).

Emailing is possible for files less than 10MB. Email ads to Jessica Loeding at jessical@pffranchisee.org.

Written pre-approval from the franchisor, via the Vendor Management Team at Planet Fitness Club Support Center, is required to use the Planet Fitness® name, logo or any other Planet Fitness trademark or intellectual property in any way, including on products or in advertisements. Requests for approval must be submitted to the Vendor Management Team (VendorManagement@planetcsc.com), via email, no less than 10 business days prior to the artwork deadline.
