

Daytime Open House

Dear Saxe 6-8 Grade Parents/Guardians,

You are invited to attend a Daytime Open House during the week of January 28th - February 4th, 2019. The schedule below depicts the specific day, date, and time for each respective grade/team. Grade 6-8 teams will host the entire program in one single classroom. You are asked to report to the team classroom noted on the schedule below.

Teachers will review team progress made thus far in regards to meeting local and state curriculum standards, address initiatives that have promoted an emotionally and physically safe learning environment, and offer an academic introduction to the 3rd marking period.

If you have any further questions regarding our parent communication program, please feel free to call or contact me at david.gusitsch@ncps-k12.org

Sincerely,

Dave Gusitsch
Principal, Saxe Middle School
