Dear Friends:

No one could have predicted that in 1996, when we pulled up to Findlay Market with a van full produce and card table, that it would lead to such a rewarding adventure. For the last 22 years we have made incredible friends, laughed a lot and traded recipes, as we built our little store.

And we have you to thank. Madison's at Findlay Market is more than a store. For us, and we hope for you, it has been a place of joy and pride. We have seen our family grow, as well as yours. Not to mention the growth around Over the Rhine.

Today we are announcing our "retirement." Although, truth be told, we can never really leave all of you. The good news is that the Madison's you know and love will continue. Our dear friends, Laura Riley and Frank Stier, will take over effective January 2nd, 2019. Our frequent customers will recognize them easily. They have shopped at the Findlay Market and Madison's for years and recognize the unique feelings our community shares. Laura, especially, has the culinary acumen to dazzle and is looking forward to sharing "food-talk" with you.

So, this Holiday Season we will be counting our many blessings. We consider each one of our customers friends and thank God every day that we have been able to be part of your lives. Thank you all for enriching us and Happy Holidays!

Sincerely,

Bryan and Carolyn Madison
