Indiana Conference Disaster Academy
August 18-19, 2017 at Camp Moneto
Cost is \$75

All are invited to attend this event to learn more about Disaster Response, the work of UMCOR, and how you can be involved. Sessions will cover the basics of disaster response and the part you can play (and it's much more than just construction work!). We will also provide practical resources to be used by the local church when responding to disaster, and offer time to connect with leadership at UMCOR, the Conference, and your district.

UMCOR trainer Christy Smith will be leading and it is likely that Cathy Earl, Director of US Disaster Response, will be joining us (along with other UMCOR staff).

Note: All District Disaster Response Coordinators are being personally invited to attend for free, but we are hoping to get more attendees who are interested in being involved in any way!
