

Come and join with others in the final week of Lent to pray together. We gather at Holliday Park Nature Center (6363 Spring Mill Road, Indianapolis) on **Sunday April 9 from 1:30-4:00 pm.**

When we pray together God stirs us to take our prayers beyond the walls of our church buildings.

The walk begins at the Holliday Park Nature Center where you join with a small group of walkers. Four stations will be set up on an easily walkable path to stop and share prayers for the work of our church in this world.

Return to the Nature Center for light refreshments and fellowship.

Join when you can. Small groups will be gathering and walking throughout the afternoon.
