## BOOKSTORE NEWS

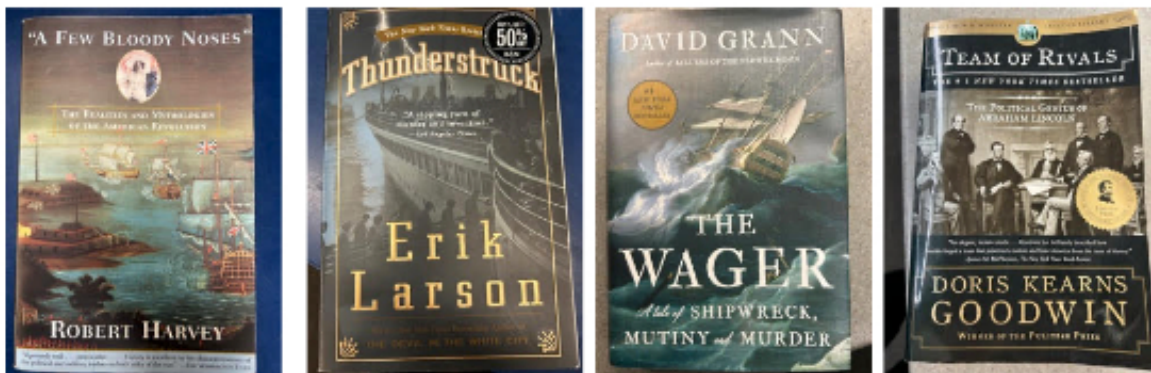

Summer 2026

Our sales at the bookstore enable a lot of the programs that the Library offers as well as many other items. We have over 60 volunteers at the Bookstore who work hard to make it a place that is interesting and ever-changing. It takes a lot of organization by our Management Team of Coleen Flaherty, Janine Free, Susan Oliver, Lori Jones, Pam Kurz and myself, Joyce King.

We have been extra busy in the month of June since schools started summer break. The very popular Library Summer Reading Program brings in kids and their parents and each participant receives a coupon for a free book of their choice.

**Our 2 for the price of 1 Sale category for July is History** (\$4 hardcover/\$3 softcover). We have many, many books from which to choose such as the following:

Be sure to pick up the comprehensive brochure on our front desk about the

Bookstore and the Friends as well as a complimentary Bookmark reminding you of our hours.
