

Arlington Little League is seeking to add to our junior umpire corps!

We provide umpires for our upper level games, and we're looking for those ages 12 and up to you join us! We'll even pay you for time! We provide the training, and the equipment to safely get behind the plate. All we need is you!

We can take you for a game here or there, or a fairly regular gig--it's up to you, depending on what fits in your schedule. Games are weeknights (mostly early evening) and Saturday mornings and afternoons

Training will be held on Monday nights in March and one Saturday morning TBD.

If you're interested, or have questions, you can reach Umpire-in-Chief Steven Sunbeck at umpire@arlingtonlittleleague.org and/or register for the umpire program at:
