Mission Statement

InterFaith Works affirms the dignity of each person and every faith tradition, builds racial and religious equity, and creates bridges of understanding among us.

El-Hindi Center for Dialogue & Action (CDA) promotes social equity to foster mutual understanding and trust through dialogues, interfaith programming, and food justice programs.

Center for Healthy Aging (CHA) organizes programming to help older adults stay active and socially connected, and provides support and services allowing them to age with dignity.

Center for New Americans (CNA) provides crucial support services to refugees, SIVs, and humanitarian parolees to help them establish their lives and overcome barriers to successfully integrate in our community. CNA also provides long-term, targeted, culturally appropriate, and trauma-informed programming for New Americans across CNY.
