

# WE ARE RECRUITING DIALOGUE FACILITATORS

## A Center for Dialogue and Action (CDA) facilitator...

...is committed to the work for racial equity and healing.

...commits to holding together safe spaces for people to dialogue about hard issues.

...believes that by engaging in dialogue with diverse groups, true community can be built and sustained.

...helps people discover that "change" is something we all can do.

...belongs to a network of facilitators with opportunities for relationship-building and personal and professional growth.
