

**NEWS FROM  
OUR PASTOR**

During the Summer our weekend worship will be centered around Jesus Christ and the sustainability of faith. Entitled “From the Garden to the Table” we will look at how God from the very beginning in the Garden of Eden until the Last Supper sustains our faith through Jesus Christ and the Holy Spirit.

Usually, these days when we think of “sustainability” we talk about it in terms of natural “resources,” and ways that we can continue to meet the needs of an ever-growing world population with food and shelter. Can we find ways to keep water safe and drinkable? How can we nurture the land so that it produces enough food? Even our home gardens and lawns seek to be sustainable. Our faith is no different in many ways: our relationship to God seeks to last. Our faith desires to be a continual source of nourishment for our lives.

So how do you nourish your faith? What feeds your relationship with God? We are blessed this year to have communal in-person worship together as a way to nourish faith. Many people have missed being able to worship together here at the building on 21<sup>st</sup> and Wright Streets, and we are thankful to have the opportunity to gather once again together. Communal worship is an important faith practice.

And there are others, with prayer often leading the list of sustaining faith practices. Serving your neighbor also is a popular faith practice, and can sustain not only your faith, but the faith of others as well. Reading scripture is still a way to sustain faith, and nothing can be better timed than a scripture-based meme on Instagram that seems to calm your soul. Many people have used their generosity to sustain their faith, and we are thankful to be the recipients of so many people’s financial resources. It is a blessing.

I hope this summer’s worship will encourage you in your faith practice and habits, and perhaps even suggest a new one? Sustainable faith, as with sustainable food sources, blossoms from God’s grace through our attitudes and actions. May your summer be a blessing, and may your faith be sustained.

--Pastor Scott

### FLC AMBASSADOR SOCIAL CONCERNS COMMITTEE - June 2021

Please see description on Page 11 of the Bread for the World Offering of Letter 2021.  
Sample Letter to send to Congress is below.

#### Sample Letter to Congress

[Date]

[Rep. Jeff Fortenberry]  
U.S. House of Representatives  
Washington, DC 20515

[Sen. Deb Fischer]  
[Sen. Ben Sasse]  
U.S. Senate  
Washington, DC 20510

Dear Senator \_\_\_\_\_, OR Dear Representative \_\_\_\_\_,

Hunger is reaching historic levels. The COVID-19 pandemic continues to devastate communities across the United States with a disproportionate impact on Black, Latino, and Native American families, and immigrants, and worsening the effects of hunger and poverty around the globe.

The pandemic has exposed vulnerabilities in our safety net and food systems from farm to fork. And child hunger in both the U.S. and abroad has skyrocketed. Specifically, Congress should:

- Make the expansion of the child tax credit in the American Rescue Plan permanent and available to all children regardless of immigration status. The CTC expansion will lift millions of children out of poverty, as well as help reduce hunger and narrow the racial wealth gap exacerbated by unemployment amid COVID-19.
- Increase U.S. leadership and funding for global nutrition programs without which an entire generation may be denied of their God-given right to flourish.

Now more than ever, my faith calls me to stand alongside impacted people in my community and around the world. Let us work together to ensure U.S. policies help people move out of poverty and feed their families in the U.S. and around the world.

Sincerely,

[Your Name]  
[Your Address]

## Bread for the World Offering of Letters 2021

FLC will be participating in the annual BFW Offering of letters June 5-6 and we welcome the congregation's involvement in this important event. As many of you know, Bread for the World is a collective Christian voice urging our nation's decision makers to end hunger at home and abroad. By changing policies, programs, and conditions that allow hunger and poverty to persist, they provide resources and support at home and far beyond where we live. Over the years, the offering of letters and emails from congregations have helped inspire our leaders in Washington, D.C., to pass legislative victories that reduce hunger in the U.S. and around the world. As you may suspect, the pandemic has increased the need substantially with 270 million people globally facing extreme hunger – this is nearly double from pre-pandemic statistics. Child hunger has reached historic levels! Join us in early June – we'll have letter packets prepared for you to take home or take a few minutes to send an email or write a personal letter using the suggested sample below. If you wish to email our Congressional members, please visit [2021 Offering of Letters to Congress - Bread for the World](#) or learn more at [www.bread.org](http://www.bread.org).

FLC Social Concerns Committee is seeking new members! Come join a busy team that works to help others in the community and around the globe, and who truly desire to "Serve as Jesus Served". If that sounds like you, please contact Lynette Jennings (402-278-0164), John Mark Nielsen (402-427-4443), Jim Peterson (402-426-2716), Herta Bouvia (402-533-2903), or Trudy Hutton (402-426-4358) for more information. Please contact one of the above persons if you desire more details.
