"For as many as are led by the Spirit of God, these are sons of God." (Romans 8:14, NKJV)

THE SONS OF GOD

The 2025 FGBMFI World Convention in Miami has come and gone, yet its impact continues to resound across the nations. For those who attended in person or joined online, the manifested presence of the Spirit of God was undeniable.

In Miami, the Holy Spirit poured out fresh fire upon our gatherings, igniting hearts and commissioning the members of the Fellowship to carry His power into the nations. The central message the Lord released is the revelation of the sons of God. Scripture declares in Romans 8:19: "For the earnest expectation of the creation eagerly waits for the revealing of the sons of God." Today, a dark and desperate world is crying out for deliverance, and heaven awaits the sons of God to rise.

Who, then, are these sons of God? They are believers who have grown from spiritual infancy into mature sonship, male and female alike. They walk in their true identity in Christ, marked not by quarrels or division but by love, obedience to the Spirit, holiness, humility, integrity, and sacrifice.

The sons of God hunger daily for the infilling of the Holy Spirit, pursuing Him in prayer and in the Word, so that His power may be manifest in their lives. In waiting upon the Lord, they discern His will and live according to His divine purpose. These are the sons of God. These are the ones carrying the Vision, to bring revival to the body of Christ and to usher in the final great harvest before the return of our Lord Jesus Christ.

A new dawn has come upon the Fellowship. God is calling forth His sons.

Arise, sons of God, and advance His kingdom.

THE THREE PILLARS OF THE VISION

1. School of the Vision during the World Convention Training sessions focused on leadership, mentoring, and equipping participants to carry the vision of FGBMFI into their nations and workplaces. By making the School of the Vision a core part of every convention, FGBMFI is investing in its future—building a global network of trained, committed leaders who not only know what they do, but also understand deeply why they do it.

2. Prayer and Intercession Rooms Dedicated spaces were available throughout the convention for personal reflection and intercession, reinforcing the importance of focus and preparation in leadership. By prioritizing prayer and intercession, FGBMFI demonstrates its commitment to remain anchored in its vision while preparing members to face challenges in their nations and workplaces. The Prayer Rooms in Miami became a powerful reminder that progress in leadership, strategy, and global expansion must always be grounded in intentional spiritual preparation.

3. Media and Publicity The 2025 World Convention marked a significant step forward in FGBMFI's digital presence. The event was live-streamed worldwide through the official FGBMFI International YouTube Channel, drawing thousands of viewers. Comprehensive coverage was also provided through Facebook and Instagram, enabling broader reach to younger generations and strengthening the organization's media strategy.

THE LADIES' CONFERENCE

An important feature of the World Convention was the International Ladies' Conference, led by the International Ladies' Coordinator Mrs. Jennifer Owusu. The keynote speaker, Apostle Isi Igenegba from Nigeria, delivered an impactful message addressing leadership, influence, and empowerment for women within the Fellowship.

YOUTH CONFERENCE

A Youth Conference was also held, focusing on the next generation of leaders. Sessions addressed leadership development, innovation, and the role of young professionals in shaping the future of the Fellowship globally.

LOOKING AHEAD – BALI 2026

The next step is already on the horizon: the FGBMFI World Convention 2026 in Bali, Indonesia. This upcoming convention will emphasize the role of the marketplace as the platform for influence and the importance of raising up the next generation of leaders.
