

## CANADIAN EMERGENCY WAGE SUBSIDY (CEWS)

**Are You Eligible? Have you Applied?**

Your Local Human Resources Partner in Muskoka

Are you a for-profit or not-for-profit Canadian Employer whose organization has been affected by COVID-19? You may be eligible for a subsidy of 75% of employee wages, retroactive from March 15, 2020.

As more businesses are approved to resume their operations, this subsidy can help offset the costs of payroll during these continued uncertain times and support you while returning to pre-COVID revenue levels.

The Government has recently announced that this subsidy has been extended to the end of August 2020. Given the challenges Employers in our region face with sourcing and retaining skilled employees, this may allow you the opportunity to maintain your employees on payroll or return them from layoff earlier than anticipated.

How do you qualify? You must:

- be an eligible employer;
- have experienced an eligible reduction in revenue; and
- have had a CRA payroll account on March 15, 2020.

Not sure where to start, what information you need or don't have the time to complete the application? We can assist you with the process of applying for this additional financial assistance.

If you have any questions or need support, please feel free to connect with one of us for a complimentary consultation.
