Invites you to a *Mini-Retreat*

Listening to God in Our Dreams

Many people speak of the Dreams they've dreamed as "weird, strange, crazy, scary or ooh la la"! However, the early Church Mothers and Fathers of the Christian Tradition wrote that "they couldn't imagine how anyone could maintain a relationship with God without listening to their dreams." That seems foreign to what most of us ever learned about dreams. There will be time for reflection and discussion.
