## Description:

Many people speak of the Dreams they've dreamed as “weird, strange, crazy, scary or ooh la la”! However, the early Church Mothers and Fathers of the Christian Tradition wrote that “they couldn't imagine how anyone could maintain a relationship with God without listening to their dreams.” That seems foreign to what most of us ever learned about dreams. There will be time for reflection and discussion.

## Presenter: Sr. Cecilia Ann Loomer, S.F.C.C.S.

Sr. Cecelia Ann is the director of Tree House Healing Ministry, now in its 33rd year. Cecelia Ann's passion is the restoration of life and truth in every person--that each know their self-worth, loveableness, and goodness. Only then can they recover the wholeness with which they were created. Sr. Cecelia Ann has led hundreds of retreats especially focusing on inner healing. She is a graduate of Marillac College in St. Louis, MO and holds a Masters' degree in theology from St. Thomas University in Houston, TX.
