

December 8, 2025

To Our Valued Customers,

At American Granby, we remain committed to a measured and responsible approach to pricing. As both domestic and international suppliers adjust costs related to raw materials, imports, and tariffs, we carefully evaluate the impact and make changes only when necessary.

We take pride in consistently providing you with high-quality products from multiple sources at competitive prices. In response to recently implemented cost increases from multiple domestic suppliers, a price adjustment will take effect on **Thursday, January 8, 2026**.

Attached is a listing of product subcategories currently impacted by our 1/8/26 list price change. List price increases vary by product line. An updated list price file will be available for download by Tuesday, December 23, 2025 at <http://www.americangranby.com/Downloads.aspx>

Order Guidelines:

- *All stock orders must be received into Customer Service by **3:00 PM EST on Wednesday, January 7** to receive current pricing.*
- *No price coverage will be available after 1/8/26.*
- *Orders placed prior to 1/8/26 are for immediate shipment.*
- *We reserve the right to limit order quantities to align with your typical monthly usage.*
- *All backordered product will be re-priced according to the price in effect with applicable tariffs, at the time of shipment.*

We greatly value your continued partnership and appreciate your understanding as we work to manage these external cost pressures responsibly.
