

There is truly "No Place Like Home"

REALTORS® are helping to provide better legislation for our homes and our businesses through our TREPAC investments. Currently, TREPAC is fighting for:

◆ **Reduction of property taxes**

providing local taxpayers with the best information possible to allow them to have an impact during the tax rate setting process

◆ **TREC services**

ensuring the continuance and improvement of TREC to provide services to license holders and consumers

◆ **School finance/public education**

helping Texas to have a strong public school system that produces a trained and trainable workforce

◆ **Appraisal transparency**

protecting the equal and uniform provisions of the tax code to ensure all taxpayers are appraised fairly, and keeping politics out of the property valuation process

◆ **No sales price disclosure**
