Senate District 8 - Neal Plotkin

Bio: Hello Neal Plotkin here – your Democratic candidate for Wisconsin Senate District 8. Born and raised on Milwaukee’s northwest side, and a 35-year homeowner/resident of the district, my wife, family and I have deep roots and connections in southeast Wisconsin. After graduating from UW-Milwaukee, I spent 40 years in the small business community – 26 as a sales-agency owner – followed by 3 years as a public school substitute teacher. As a long-time active Democratic Party of Wisconsin member, I could no longer remain silent while a 30-year incumbent, unchallenged in two consecutive elections, dictated policy as opposed to working with constituents. Time to flip the district and return Wisconsin to our “Forward” motto!

Senate District 18 - Aaron Wojciechowski

Bio: Aaron Wojciechowski, 23, is a 2-term local elected official, aftercare educator, and proud UW Oshkosh Graduate. If elected, Aaron would become the first Latinx person elected to the Wisconsin State Senate; one of the youngest members elected, and one of the few openly LGBTQ+ members. Aaron is focused on bringing honest forward-thinking leadership and ensuring every Wisconsinite has a seat at the decision making table. As the next State Senator for district 18, Aaron will fight to make health care more affordable and accessible, ensure our public schools are well-funded, pass meaningful criminal justice reform, and create a sustainable economy that works for everyone.

Senate District 28 - Adam Murphy

Bio: Adam Murphy is an entrepreneur and business consultant in Franklin, and owns Big Bang, LLC, a software company he and his employees built from the ground up. As a small-business owner responsible for meeting a payroll every week, Adam knows what it takes to succeed in America. Adam supports access to quality, affordable healthcare for every American, a fair tax system that supports small business and rewards work, a stronger democracy, and civil rights for all. And Adam believes that government needs to do more to protect the environment and adapt our economy to fight climate change, and to ensure safer communities. Adam and his wife Tanya live in an 137 year old four-room schoolhouse in Franklin, with their dog and two cats. Adam was born and raised in South Milwaukee, graduated from Pius XI High School, and attended UW-Madison and UW-Milwaukee. Adam plays poker around the country, and he's finished "in the money" at the World Series of Poker six times.
