**Description:**

Caliber: 5.56 NATO  
Capacity: 30 Rounds

Mag Type: AR-15  
Barrel Length: 16 in

Action: Semi-Auto  
Operating System: Direct  
Impingement

Stock: Telescoping  
Twist Rate: 1:7  
Sight: Folding

This carbine comes with the good stuff - all of it - pre-installed. Like a free-floating M-LOK handguard, which promotes accuracy and handling. Or a quality grip and premium, 6-position buttstock with integral QD points. The M400 PRO comes standard with AMBI controls. The Enhanced SIG Trigger on the M400 PRO enables the shooter to extract excellent accuracy from the rifle's lightweight, 16 nitride barrel that is equipped with a SIG Micro-light Gas Block.
