... Citrus Bloom Declared in District 1 and District 2 ...

In order to comply with the public notice provisions of Section 6656 of the California Code of Regulations pertaining to the citrus/bee protection area, Fresno County Agricultural Commissioner, Melissa Cregan, announced today that she is officially declaring the beginning of the citrus bloom period for citrus growing in **District 1 beginning at 1:00 a.m., Friday morning, March 27, 2020.** **District 2 beginning at 1:00 a.m., Saturday morning, March 28, 2020.**

All citrus growers, pest control operators and beekeepers must comply with the regulations covering the citrus/bee protection areas (sections 6654 and 6656, California Code of Regulations). The area within one mile of any citrus planting of one acre or more is designated in a citrus/bee protection area.

Cregan said that during the ensuing days, personnel of the Fresno County Department of Agriculture will be checking citrus groves in District 3 and District 4 to determine when 10 percent bloom will be reached.

Anyone having questions regarding the bloom period or the citrus/bee regulations should phone the Supervising Agricultural/Standards Specialist, Sam Sohal (Monday-Friday, 8AM-5PM) at (559)600-7319.
