

## 200 pounds for 50 years Parfitt's Paradise Project

CIS and HH Friends and Family,

We are beginning a recycling project at CIS and Hazel Harvey collecting plastic caps. With the help of Plastics-R-Unique, a family-owned company located in Wadsworth, we will use all the plastic lids collected to build a six foot park bench for our 50th year anniversary of Parfitt's Paradise.

We are working to collect **200 pounds** of plastic caps before the end of the school year. Please share this with your friends, neighbors, and workplace so we can collect as much as possible. Start sending in plastics today!

### Information you need:

(\*Check the list on the back too)

Collect **ONLY** Plastic Caps or Lids!

They must be **CLEAN**, with **NO METAL** or **OTHER FOREIGN MATERIALS** that are not plastic. Remove all foil and paper from the cap/lid.

### **Best Rule of Thumb:**

It must be a clean cap or lid that is 100% plastic and not used for medical purposes.

Examples of Caps: Caps on Food Products: Bottles, Milk, Juice, Broth, "Squeezy" Caps, Peanut Butter, Mayonnaise, Ketchup, Mustard, & Other Condiments

Other Caps: Medicine Bottle Cap, Lotion, Soap, Toothpaste, Detergent Caps, Spray Paint, & Deodorant

Food Lids: Butter, Ice Cream, Dips, Cool Whip, Cottage Cheese, Sour Cream, Coffee, & Pringles

### **The NO-NO List:**

NO Metal or Other Foreign Materials of any kind

NO Trigger Sprayers or Mechanical Pumps that may hide Metal Springs

NO Plastic Bottles or Containers

NO Dirty Caps or Lids

NO Foil or Paper Inside the Caps

NO Medical Supply Items – Except for Medicine Bottle Caps
