

## **THANK YOU NOTES:**

Dear Church Family and Scholarship Committee:

I would like to say THANK YOU for the scholarship that I received this year. I certainly will be able to use it toward all of my college expenses.

As this is my senior year, I have appreciated all of the scholarships that I have received over the past four years of college and most importantly all of the support that I have received from my church family.

Again, thank you so much!

Dear Church Family,

Thank you so much for the scholarship! This is my last year at Ohio State and every year you have generously supported me in my academic career. I appreciate everything this church has done for me thus far. I am so extremely thankful that I have been able to grow up in such a loving community of people who continuously show me God's love.

Kindly,  
Josie Robison

Hello,

Thank you for the thoughtful scholarship! It will be used to help me to purchase my textbooks at Ohio University. I am studying to be a child psychologist in hopes of helping children in the future. Through this church, I found my love for working with children by helping in the Sunday school classes. This experience shaped my perspective into what I wanted my future career to be.

Thank You,

Thank you for allowing me to play at your service September 12. It was a wonderful service and I loved it very much. A strong presence of love was there, and I embraced it. I hope to come again soon and enjoy your service amongst your beautiful congregation.

In Him,

Scott C. Davis
