Miriam Daniels would like to express her appreciation for the Valentine's Day card made by Lillian. Miriam also wanted to thank all of those involved with this project.

Thank you to the Sunday School children for the nice Valentine's Day cards we received. Those over 80 and 90 years old received cards. Praise the Lord. A very thoughtful idea.

Grateful,

Lucy Rich

Thank you to Pastor Gaye for the video of the updates of what the property committee has been doing for our new look or new beginning sanctuary painting, carpet in the office, CIC, and narthex. Kudos to all who have had a part in this new look.

Thank you, thank you all the decisions that needed to be made in the last year.

Grateful,

Lucy Rich

Happy Spring and Easter!!!
