

Nancy and I would like to thank all of our Emanuel Family for the cards and calls received after the loss of my sister Helen. Your kindness was greatly appreciated during this difficult time.

To our Emanuel Family – I know a number of you have received masks made by Helen Tritt to aid you during this pandemic. Helen has given Ernie and I masks for ourselves and our children. She has also supplied me with a number of masks for the MRDD Facility that my sister helps to manage. In a time when the handicapped are more vulnerable than others, and masks are limited, it was truly a great kindness and so appreciated. God has truly blessed not only our church, but each of us personally with all that Helen does. Thank you Helen for just being YOU!

To celebrate National Nurses Week, Judy Cottrell asked for volunteers to bake goodies for the staff of Doylestown Health Care Center. The volunteers were: Judy Cottrell, Helen Tritt, Vaughn Daniels, Fran Royer, Jean Holden, Sarah McCall, Ruth Hazeltine, and Sandy Bee Lynn. We received the following thank you from them.

Emanuel United Church of Christ,

Thank you so much for generously providing us with the “dessert bar.” We really enjoyed it.

Thank you for thinking of us. We hope you are staying safe. God Bless.

Miss Me

When I come to the end of the road
And the sun has set for me
I want **NO** rites in a gloom filled room
Why cry for a soul set **FREE**
For this is a journey that we all must take
And each must go alone
It's all a part of the Master's plan
A step on the road to home.
...**But Let Me Go**

God Bless All Emanuel,
Family of Nancy Dean
