

## **Written with love for Jean**

By: Karen Foster

The time has come for our precious Jean  
To leave this earthly place  
And truly see God's glory,  
Meeting Jesus face to face,

What joy she'll have, embraced by those  
She loved, who went before,  
In paradise she's found her home  
In peace forevermore.

On earth she was our angel,  
Packed inside a tiny frame  
And yet a mighty giant,  
Loving all in our Lord's name,

Her love for God was evident  
Her faith and witness pure,  
And leaning daily on His word  
Made all her days secure,

She took God's love and passed it on  
To everyone she met,  
Her smile and loving spirit  
Are the gifts we won't forget,

The blessing of her life lives on  
And so we thank the Lord,  
For all the memories we shared  
We say with one accord-

We love you Jean, rest well in heaven  
Until you greet us there,  
Then all together once again  
God's paradise we'll share.
