## Get the full value of your membership

The California Asphalt Pavement Association is the only organization that focuses exclusively on asphalt pavements in California. Member companies include asphalt producers, refiners, manufacturers and other equipment and service providers that make up a dynamic industry in California. Membership in CalAPA is a “company” membership — in other words, every employee of a member company is considered a member and can participate in association events, receive CalAPA news and information, enjoy member-only discounts, etc. There are many different ways to interact with the association and your industry peers. A few are highlighted here.

### TECHNICAL MEETINGS

CalAPA holds regular technical meetings on-line and at locations across the state where industry representatives and

public agency personnel can share information on the latest advances in asphalt pavement technology, best practices in construction and other useful information.

### CONTRACTOR-FOCUSED EVENTS

The active Paving Contractor Committee sponsors regular dinners and social events where paving contractors can network

and get the latest information that may impact their business. Our exclusive Quality Paving Certificate™ helps set the standard of excellence for the industry.

### MEMBER ALERTS

CalAPA members receive exclusive “Member Alert” bulletins throughout the year that contain information and insight about issues that impact the industry, including regulatory, technical and political issues, as well as focused market intelligence.

### ANNUAL DIRECTORY

All members are automatically listed in the CalAPA Membership Directory & Buyer's Guide, an essential printed and on-line business-to-business resource.

### E-NEWSLETTER

CalAPA produces an electronic newsletter, the *California Asphalt Insider*, that arrives in your in-box every Monday morning filled with practical news and exclusive insights.

### ALWAYS AVAILABLE

The CalAPA website is a gold mine of information for the asphalt pavement industry in California. Open 24/7, download publications, presentations, links to helpful resources and

more. The interactive website, plus various social media channels, connects potential customers with products and services offered by CalAPA members. The member-only area has powerful tools to interact with the association and grow your business.
