

# Contractor's Corner Modernization

## Update to the Contractor's Corner Website (Delayed to September 2nd)

Caltrans will launch an updated Contractor's Corner website on **September 2nd**. Please note that the current website will be unavailable from **August 30th through September 1st** due to the transition.

The redesigned website offers several ease-of-use enhancements while maintaining a familiar look and navigation experience. It will be hosted on the ServiceNow platform, delivering improved security, reliability, and accessibility.

If you already have a Bidding Connect account, you will be prompted to update your password and profile information when logging into the new site for the first time.

Once the new website is live, any existing bookmarks to Contractor's Corner will automatically redirect to the new home page. However, if you have bookmarks that point to specific pages within Contractor's Corner, you will need to update them accordingly.

If you have any questions, please contact [Contractors.Corner.Support@dot.ca.gov](mailto:Contractors.Corner.Support@dot.ca.gov)

Highlights:

**Quick Links:** Fewer clicks to access the information you need.

The screenshot displays the Contractor's Corner website interface. At the top, the Caltrans logo is on the left, and navigation icons for Contractor's Corner, Advertisements, Guidance, Caltrans Bidding Connect, and Sitemap are on the right. The main content area features a 'Contractor's Corner' heading, a welcome message, and a 'Quick Links' section with a red arrow pointing to it. The quick links include Advertisements, Calendar of Upcoming Bid Openings, Bid Summary Results, Post-Bid Files, and Project Bucket. Below the main content, there are buttons for General Information, Advertisement, Bidding, Awards, Cost Data / Reports, and Other Projects, along with a 'Contact us' link.

**Consolidated Pages:** View all project details in one convenient location.
