

Michele Gambino

Licensed Private Investigator
Founder of Gambino Information Services, Inc.

For over 25 years, Michele Gambino has been privileged to help clients uncover the information they need during some of life's most challenging moments. Being a private investigator is more than just a job to Michele — it's a responsibility that she takes to heart.

When Michele founded Gambino Information Services, Inc., she wanted to create a firm that values integrity, respect, and relentless dedication. Every case she handles is personal because she knows there's a person or business depending on her to deliver accurate, timely, and trustworthy results.

Michele personally oversees each investigation — whether it's locating assets, conducting background checks, or finding someone who's difficult to locate — because she believes attention to detail and clear communication make all the difference. Her clients trust her not only for her experience but for her honesty and commitment to their goals.

Michele says "At the end of the day, I'm here to provide clarity, peace of mind, and answers when they matter most. I am someone who genuinely cares and will work tirelessly on your behalf."
