TEAM SUMMER MINI INTENSIVES (Previously Summer Session Team Classes)

This summer we're excited to be offering class in a new way, after hearing YOUR feedback and lightening the load of technique classes during our previous "Team Intensive" at the end of the Summer (now Choreography Camp).

Competition Team members must attend 3 out of 4 weeks of our Summer Mini Intensives.
These Mini Intensives will take place during the weeks of 6/20, 6/27, 7/11, & 7/18.

What is it?

These immersive weeks of class will have your dancer exploring many styles of dance while pushing them to become strong, well-rounded athletes. We can't wait to see what our dancers can accomplish this summer! Aside from your dancer's required Mini Intensive weeks, we'll periodically be offering extra classes that they can sign up for as well if they just can't get enough!

Technique Class Requirements

You have received a document called "Team Requirements 2022-2023."

This document will tell you what the technique class requirements are for each team for the Summer Mini Intensives, Choreography Camp, and Fall/Spring (use your team's code, ex: 1A).

Budget Billing

We will continue to use our convenient “Budget Billing” for competition team members. All team members will be automatically enrolled and required to use Budget Bill. Budget Bills will be figured in late July/early August. Need more info now? Email emarks@dance-etc.com.

Here's how it works:

1. We will estimate your expenses over a 10-month period including:
 - a. Tuition
 - b. Costumes
 - c. Choreography Fees
 - d. Competition Entry Fees
 - e. Team Awards Celebration
 - f. Jewelry/Make-Up/DE T-Shirt (New Team Members only)
2. We will divide all of your expenses into 10 even monthly payments (Due on the 15th of each month, starting August 15th).
3. Booster money (individual) raised will be credited to your account the following month.
4. Work Scholarships will be applied towards your next month's bill. For example, if you earn scholarship money in August, it will be applied to your September budget bill tuition on 9/15.
5. Private lessons, solo/duet choreography fees, competition media fees, and Spring Showcase tickets are NOT included in budget billing.
