Nominations Solicitation: California Delegation to the AMA

Please see the following call for applications/nominations for interested physician members to serve on the California Delegation to the American Medical Association (AMA). Please distribute this solicitation to any and all interested parties.

Seat/Position:

Thirteen (13) available At-Large Delegate seats on the California Delegation to the AMA and eleven (11) available At-Large Alternate seats on the California Delegation to the AMA.

California Delegation to the AMA:

Members of the AMA House of Delegates serve as an important communications, policy and membership link between the AMA and grassroots physicians. The delegate/alternate delegate is a key source of information on activities, programs and policies of the AMA. The delegate/alternate delegate is also a direct contact for the individual member to communicate with and contribute to the formulation of AMA policy positions, the identification of situations that might be addressed through policy implementation efforts and the implementation of AMA policies. Delegates and alternate delegates to the AMA are expected to foster a positive and useful two-way relationship between grassroots physicians and the AMA leadership. To fulfill these roles, AMA delegates and alternate delegates are expected to make themselves readily accessible to individual members by providing the AMA with their addresses, telephone numbers and e-mail addresses so that the AMA can make the information accessible to individual members through the AMA website and through other communication mechanisms.

Term Length/Duration:

The positions are for a two-year term beginning January 1, 2020.
