

# CME Dinner Presentation

## *Reducing Liability in Your Medical Office*

The Cooperative of American Physicians, Inc. (CAP) is proud to partner with the Merced-Mariposa County Medical Society (MMCMS) in hosting *Reducing Liability in Your Medical Office*, a CME\* dinner program for physicians – at **no cost or obligation**.

This presentation will teach you to recognize how the routine practices and systems in your office may put you at risk. It will provide practical tools and strategies aimed at mitigating risk in your office. Even minor changes in this area can ultimately increase patient safety and satisfaction.

### The program objectives are:

- Identify three key components for an effective risk management plan for the practitioners office
- Describe the medical assistants' scope of practice
- Explain the importance of good documentation and the risks associated with technology in medicine
- Identify three core principles of the patient experience that will favorably impact healthcare outcomes
- Explain common problems in physician-patient communication and identify improvement strategies
