

KNOW YOUR RIGHTS: HOW TO PROTECT YOUR PRACTICE FROM PAYOR ABUSE

DATE

Thursday, August 16, 2018

WHO SHOULD ATTEND

Physicians, Administrators,
Office Managers & Billing Staff

SYNOPSIS

In 2000, CMA sponsored legislation (AB 1455-the Health Care Providers' Bill of Rights) in response to thousands of physician complaints regarding unfair health plan payment practices. In this educational seminar, we will discuss the protections provided to physicians by this landmark legislation as well as how these protections apply to some of today's most impactful and troublesome issues in the healthcare marketplace.
