~ Live Streamed Zoom Meeting ~
Registration Link: <https://bit.ly/32uaGOP>

DESIRED OUTCOMES - At the conclusion of this activity, the learner will be able to:

1. Perform a thorough history/physical exam, recognizing the signs and symptoms of vascular disease
2. Recognize which patients to first send to a vascular specialist, podiatrist, or wound doctor
3. Identify how each disease ties into vascular disease
4. Determine if wound is a venous ulcer or a diabetic ulcer, and treat appropriately
5. Address cultural factors which may impact care of the patient and navigate cultural factors which may impede effective communication, counseling, and education

The presentational method for this activity will be Lecture, Case Presentation, and Q&A. This activity is geared to meet the educational requirements of Primary Care Physicians, Physician Assistants (PAs), Family Nurse Practitioners (FNPs) and all specialties. This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Interpersonal & Communications Skills, Practice-Based Learning & Improvement, and Systems-Based Practice.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of CME Consultants and Heart Vascular and Leg Center. CME Consultants is accredited by the ACCME to provide continuing medical education for physicians.

CME Consultants designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In accordance with the Americans with Disability Act (ADA), please contact Michael Pierson: mpierson@heartandleg.com should you require special assistance.
