

Memories in the Living Room on the Israeli Holocaust Memorial Day - Yom Ha'Shoah

19 April, 2020 1:00 pm EST / 7:00 pm Budapest / 8:00 pm Israel

We invite our entire P2G family to join our virtual remembrance of Yom Ha'Shoah led by groups of second-generation Holocaust survivors from Toledo, Budapest and the Western Galilee. In the intimate framework of "Memories in the Living Room", second-generation speakers from our 3 communities will share their personal family stories from the time of the Holocaust. Reminiscences will be followed by Q&A and a common virtual candle lighting.
