A close-up photograph of three golden-brown, fried arancini (stuffed rice balls) on a white plate. One arancino is cut in half, revealing a filling of rice, meat, and vegetables. The arancini are served with a thick, red tomato sauce. A fresh basil leaf is placed on the right side of the plate. The text 'PALERMO DELICATESSEN' is overlaid on the top left of the image.

## PALERMO DELICATESSEN

- Their homemade arancini is the way to experience North Beach\Little Italy.

# Acquolina

- Their focus on high-quality ingredients such as true olive oil and organic tomatoes results in bruschetta that nothing short of amazing.

## Z. CIOCCOLATO

Z. Cioccolato, whose chocolate won “Best of Show” at the Napa County Fair has become a popular stop for North Beach residents as well as out of town visitors. The delectable aromas of fudge and caramel corn being made waft out onto the sidewalk, luring people into a store filled with cases of 65 flavors of fudge, barrels of 60 varieties of salt water taffy, and gift items chosen for their ability to amuse. They have developed original flavors, some of which are unique layered fudge. “It pleases me that the fudge flavors I have come up with are our best sellers, such as the number one in the store, a 5-layer fudge called Black Panther.” We’ll enjoy their chocolate and see how they make it.

A photograph of a jazz band performing in a brick bar. The band consists of several musicians, including a guitarist, a saxophonist, and a drummer. They are playing in a dimly lit room with a brick wall and a bar in the background. The text is overlaid on the image.

Chances are, we'll be listening to lots of blues and jazz as we explore the beat generation hangouts of North Beach

# Stella Pastry

We'll celebrate with pastries from one of the best pastry shops in San Francisco. Today's owners of Stella Pastry feel it is vital to maintain the quality and charm that the customers have come to know through the generations. This quest is achieved by using the original Sicilian recipes, the finest ingredients, and the same brick oven which is now almost 100 years old!

- Along the way, we'll enjoy a team building activity. We'll come with a question, such as "Where Did You Go to College". Whoever gets the most questions correct will be get a bottle of wine. We have found this to be an excellent team building activity.

# MONA LISA RESTAURANT

We'll enjoy their incredible pizzas with their fresh tomato sauce and homemade mozzarella cheese.
