

October 15, 2020

Dear Participant,

As you know, the New Hampshire Friendship Board of Directors had to postpone our Summer 2020 tour to South Africa due to the global pandemic. We had hoped to reschedule for June-July 2021. However, in consultation with Plymouth Travel and Xplore Africa, the Board has reluctantly concluded that the continuing high levels of infection both here in the U.S. and in South Africa make travel in 2021 too uncertain. Consequently, we have had to cancel our travel plans for 2021 and have refunded your payments.

It is our hope that by early 2022, it may be safe to travel again. The Board will meet soon to consider future travel possibilities. We will keep you informed.

Sincerely,

Dennis W. MacDonald
President
