STAYING COMPLIANT: WELLNESS CREDIT

The Wellness Credit is a \$40 reduction in your bi-weekly medical premium. You must be on our medical plan to receive the \$40 credit. This year, we will NOT have a mass HRA or biometric screening event. INSTEAD, each participant will need to complete an annual exam between 10/1/2022 and 8/31/2023 to earn the insurance premium reduction for the 2024 plan year, which will start 10/1/23.

WHERE DO I GET MY PHYSICAL?

You can make an appointment for your physical at the CORE Wellness Center by calling 770-817-6070. If using your Primary Care Physician, you must upload the signed physician form verifying your physical to the Wellright Wellness Portal.

If you are **CURRENTLY** receiving the \$40 Wellness Credit but do not have a physical between 10/1/22 and 8/31/23, your \$40 Wellness Credit **WILL STOP** as of 9/30/23.

WHO IS COMPLIANT?

You are compliant if:

- You have had an annual physical at the CORE Wellness Center or with your PCP after 10/1/22
- OR, you will have an annual physical before 8/31/23.
